

Art Town Community Project – Application Form

The Art Collective runs a new community project every three months. Art has been proved to be a beneficial form of therapy and is why we launched ‘Art Town’. Art Town is our project to bring art to local communities, hospitals, clinics, youth groups and organisations. Our projects are varied, our artists can help to run workshops and host ‘meet the artist’ discussion groups, or we can simply supply some relevant art works as gifts, for example to furnish a hospice ward.

Is there a group, association, organisation or charity that you know who would benefit from art or an art project?

We contribute our time and our art, we do not provide cash donations or sponsorship through this project.
